What is White Ribbon?
White Ribbon is Australia's only national, male led campaign to end men's violence against women. In Australia, one in three women has experienced physical or sexual assault in their lifetime. These women are our mothers, sisters, girlfriends, wives, daughters, colleagues and friends. The mission of White Ribbon is to change the attitudes and behaviours that support or excuse this violence against women in Australia.

What is the White Ribbon Ball?
The Albury Wodonga White Ribbon Ball is an annual event held on or around White Ribbon Day (25th November). It will be one of many events taking place across Australia to raise awareness for White Ribbon Day, 25 November, the UN Day for the Elimination of Violence against Women. The Albury Wodonga White Ribbon Ball aim is to raise funds to support local programs that will reduce violence against women through primary prevention initiatives involving awareness raising and education, and programs with youth, schools, workplaces and across the broader community. The White Ribbon Ball Committee includes representatives from Albury and Wodonga Councils, NSW and Victorian Police, Albury Wodonga Domestic Violence Committee and Albury Northside Chamber of Commerce.
