

BORDER TRUST

Your Community Foundation

Your Community, Your Impact.

Border Trust is here for one reason: to create a stronger, more inclusive community where everyone has the chance to thrive.

Since 2005, we've been working alongside local leaders, not-for-profits, and generous supporters like you to fund grassroots programs that create positive local change.

Together, we've tackled some of the Border region's most pressing challenges including hunger, homelessness, bushfire relief, domestic violence, social isolation and disadvantage.

We've also partnered with those in our community with big charitable hearts to deliver projects that foster connection and inclusion, inspire future leaders, and open new pathways to education and employment.

With each initiative, we're helping build a community that empowers everyone to reach their potential.

With your support, we'll continue to make an impact for generations.

We invite you to be part of something bigger.

By becoming a **Foundation Friend** or a **Foundation Builder**, you join a group of dedicated supporters committed to lifting up our region. Together, we're building a brighter future, one meaningful project at a time.

Investing in Lasting Change, Together.

With your partnership, we can work together to build a stronger, more connected community.

Your support enables us to continue to:

- Pinpoint the region's most urgent needs and drive meaningful change where it's needed most.
- Build philanthropic connections that drive sustainable impact, creating a ripple effect that's felt across generations.
- Monitor and showcase the many life-changing social, environmental, and economic impacts of funded local projects.
- Uphold the highest standards of stewardship for community funds, ensuring that every dollar goes further and build a future fund that will support our community in times of crisis—whether it's an emergency or disaster, an economic downturn, or simply ensuring that future generations have a foundation of support when it's needed most.

Ready to Make a Lasting Impact?

By becoming a **Foundation Friend** or a **Foundation Builder**, you're not just giving—you're investing in our region's future.

Together, we're creating a legacy of resilience and compassion that benefits our community today and for generations to come.

Since 2005 we've proudly supported over 400 local charitable projects.
